5K TO SUMMER CAMP

FUNDRAISING CAMPAIGN
SPONSORSHIP OPPORTUNITY

Dear Friend,

I wanted to reach out to you personally to share something very special and dear to my heart. As you know, I am a founding member of Reaching Houston, a 501c(3) organization founded in 2017. We strive to provide transformational services in four key areas: financial assistance to meet basic needs, access to healthy food, employment (with a priority on ex-offender reentry), and Youth & Adult S.T.E.M.(Science, Technology, Engineering and Math) education.

In order to support our 2022 STEM Village Summer Camp **we have launched our 5K to Summer Camp Fundraising Campaign.** This year's camp will be held July 11 - 21st at Word of Life Church located in Houston, TX and serve 25 at-risk students of color in grades 3 - 5.

The S.T.E.M. Village Summer Exploration Camp will provide students the opportunity to:

- Get exposed to a wide variety of STEM concepts through fun challenges and projects.
- Develop the teambuilding and leadership skills necessary to excel in STEM industries
- Meet and connect with a diverse panel of Guest speakers currently working in wide variety careers so that they can see themselves in
- Improve their public speaking skills and build confidence through fun theater arts sessions
- Participate in daily sports and activities designed to maintain a strong mind and body.

If you're interested in making a donation, you can do so by clicking the link below.

<https://www.reachinghouston.org/donate.html>

In addition to making a donation of any amount, we would also ask that you share this letter with three friends who also understand the value of high quality STEM education for our children. We've included some additional information regarding Reaching Houston's impact in the community that you can share.

We need your support to make this happen!

Feel free to give me a call at (832) 637-8199 with any questions or concerns.

We thank you in advance for your support!

Yours in Faith,
